FOR IMMEDIATE RELEASE – Rudd & Companies Announces Location at Snake River Landing

IDAHO FALLS, ID – Rudd & Company, a leading provider of innovative financial solutions and expert advisory services, is excited to announce the relocation of its Idaho Falls office to the vibrant Snake River Landing community.

The move is scheduled to take place in the fall of 2024, marking a significant milestone in the company's growth and commitment to enhancing its client experience.

Founded in 1963, Rudd & Company has six locations divided between Montana and Idaho and has grown into one of the largest Certified Public Accountant (CPA) firms in the area. As a full-service accounting firm, they offer expertise in tax compliance and consulting, audit and attest engagements, business consulting, business valuations, CFO Services, retirement plan administration, bookkeeping and payroll.

“Snake River Landing has become the center for Idaho Falls’ professional and financial services, in addition to being a place where the community comes together to eat, shop and play. Its location by the Snake River, the well-designed green spaces and the attractiveness of the commercial structures are what ultimately helped us make the decision to move our Idaho Falls office to this area,” said Christian Zollinger, CPA and Partner at Rudd & Company, PLLC. “We eagerly look forward to being part of this vibrant and growing development, with the opening of our new office at 1040 Pier View Drive.”
