The department hosts an employer workshop the last Wednesday of every other month, each featuring a different topic. These workshops are provided at no cost to the employers.

Topic this month:

Unemployment Insurance (UI) Benefits

UI Support Analysts Louie Downey and Justin Pinter will discuss the following topics:

- Claim filing process.
- What happens when a claimant quits or is fired?
- How to protect your account from charges.

Next scheduled webinar – Oct. 30 on Tax Compliance
